

The Marathon Classic Presented by Owens Corning & O-I is fast approaching. The LPGA will be returning to Highland Meadows Golf Club July 17th – 23rd. We will use the **LPGA on-line media credentials request system** for our tournament. In order to apply for media credentials to the 2017 Tournament, please follow these steps:

- **One contact person from each media outlet should apply for all credentials.** Go to www.lpgamedicredentials.com
- Click on July
- Go to section on Marathon Classic and click on “apply for credentials”
- First step is to agree to LPGA regulations and type in your name
- Fill in the form for yourself as contact
- Fill in the names and information for all attendees (including the contact, if attending) from your media outlet. Please note: As was needed in past years: - A unique email address for each attendee credential request will be required so the one-time credential mentioned below can be sent directly to the attendee once approved.
- Click on submit

You will receive an email confirmation that your media request has been received. Once it has been approved by the LPGA and the Marathon Classic, you will receive a notice of approval by email. As was done in past years, the process in place to obtain your Marathon Classic media credentials is below:

Your email approval notice will be your credential for one-time parking in Lot D only (at Highland Elementary School on Erie St.) and for a one-day admittance to turn into the staff at the Media Tent in its location between #1 and #10 fairways to receive your weekly credential and Lot D weekly parking pass if applicable.

If you arrive in the media tent and have not submitted a request for credentials, you will have to use your computer and go through the process before credentials will be issued. Therefore we encourage you to request media credentials before the deadline of July 11th. If you have any questions regarding the media credentials, please contact Jim Decker at 419-531-3277 or e-mail: jdecker@marathonclassic.com
